MEMORANDUM FOR: [REDACTED]

STATINTL

SUBJECT: Committee on Selective Rotation

1. Attached are excerpts from the transcripts from the 22nd, 23rd and 24th CIA Career Service Board meetings which have to do with the problem of establishing a selective rotation system. These will be useful to us in our task of preparing a new staff study for the Board as directed at its 24th meeting. Additional papers which are needed are the following:

a. Draft of staff study from Assistant Director for Personnel to Director of Central Intelligence, subject: Selective Rotation Program, dated 23 February 1954. (Copy attached)

b. Memorandum from Director of Training to Chairman, CIA Career Service Board, subject: Selective Rotation Program, undated, presented at 24th meeting of Board on 4 March. (Extra copies not available)

c. Statement by the Acting Deputy Director (Administration), subject: Proposed Rotation Programs for Junior Professional Personnel, undated, presented at 24th meeting of Board on 4 March. (Copy attached)

STATINTL

2. You will recall that [REDACTED] were directed by the Board to resolve the differences of the last three papers and prepare for the Board's consideration a consolidated selective rotation plan. It is suggested that the three of us have a preliminary meeting at the earliest opportunity.
